**DATE:** July 9, 2019

**FROM:** Greg Nicoll, P.E. *GN*  
**COPIES:** Kyle Randolph  
Alan Birdsall  
Contract File

**SUBJECT:** Squalicum Harbor Dock Box Purchase  
Strider Construction; Contract Award

---

**ACTION REQUESTED**

Authorize the Executive Director to execute a purchase agreement with Strider Construction of Bellingham, WA, for the Squalicum Harbor Dock Box Purchase in the amount of \$74,839.95.

**BACKGROUND**

The existing fiberglass dock boxes on Gate 9 in Squalicum Harbor have become deteriorated and are beyond their useful life. As part of a multi-year project to replace all of the remaining fiberglass dock boxes within the harbor, this procurement contract will purchase 160 new plastic dock boxes. Port crews will remove and dispose of the existing dock boxes and install the new boxes procured under this contract on L-East, L-West, M-East, and M-West Docks in Gate 9 of Squalicum Harbor. Projects in future years will remove and replace the remaining fiberglass boxes not replaced as part of this project.

Strider Construction, a Bellingham-based company, is the responsible bidder with the lowest responsive bid and has proposed to provide HyPower Hydrolocker dock boxes, which will match all of the existing plastic dock boxes in the harbor.

**FISCAL IMPACT**

This project will be fully funded by 2019 Capital Improvement Project 105-781, which has a total budget of \$113,000.

**STRATEGIC PURPOSE**

Replacement of these boxes will maintain the marina facilities in good condition for the marina users, contributing to one of the Port's 2019 Key Corporate Goals:

Goal No. 6. Stimulate Economic Development and Job Creation

**RECOMMENDATION**

Approve Action Requested.
