

FISCAL IMPACT

This project will be fully funded by 2019 Capital Improvement Project 109-816-1900, which has a budget of \$1,725,000.

STRATEGIC PURPOSE

Repairing the existing Bellingham Shipping Terminal structures will maintain the existing shipping facilities in service so that marine shipping activities can continue on Port-owned properties, this project contributes to two of the Port's 2019 Key Corporate Goals:

Goal No. 3. Expansion of Marine Trades

Goal No. 5. Re-Development of the Bellingham Shipping Terminal and Log Pond Area

RECOMMENDATION

Approve Action Requested.
